Pages 126-127: Delete Paragraph L.5, B.5,a., Item No. 5. Option Extension Information – Center, and insert the following.

**5. Option Extension Information – Center**

The Business Management Proposal shall include estimated costs, including G&A, overhead, fixed and incentive fee for three 1-year extensions of this contract. The Government shall have the unilateral right to exercise options to extend the contract for additional year(s) pursuant to Clauses 52.217-08 and -09 of the Schedule, "Option to Extend." Such extensions shall herein after be referred to as "options."

The offerors will explain how the costs for each option year were estimated. A budget for each option year will be submitted on an ETA 2110. The contractor understands that the estimated costs for operating the Job Corps center in each of the option years will be based on the agreed-to budget for ongoing expense in the preceding year, with an appropriate adjustment for price inflation using the same inflationary factor that is reflected in the Congressional Job Corps appropriation for the budget or program year in which the option year begins. The amounts proposed in the Option Years are therefore considered provisional. For the purposes of this RFP, the inflationary rate used in projecting costs shall be 1.85%.
